London Health Sciences Centre

Regional Paramedic Educator: Regular Full-Time **Southwest Ontario Regional Base Hospital Program** **South Street Hospital**

The Regional Paramedic Educator (RPE) is accountable for bringing local needs and perspectives to the development of regional educational programming, facilitating the delivery of educational opportunities for assigned paramedics, and completing individualized competency assessments. Educational initiatives include certification and orientation of new staff, continued medical education, remedial and recertification. The RPE also participates in the evaluation of all paramedic professional development. The RPE is a professional role model and resource person for paramedic staff and other members of the healthcare team in supporting evidence-based practice. Some travel will be required within Southwestern Ontario.

Rate of Pay: \$34.716/hour to \$43.396/hour
Hours of Work: 37.5 hours per week

QUALIFICATIONS:

- An Honours Baccalaureate Degree required or equivalent experience acceptable to the hospital
- Current certification as an Advanced Care Paramedic
- Registration with the National Association of EMS Educators or membership in professional Paramedic specialty organizations preferred
- Minimum of 4 years relevant clinical/paramedic experience
- ACLS (Advanced Cardiac Life Support), BCLS (Basic Cardiac Life Support) and either TNCC (Trauma Nursing Core Course) or PHTLS (Prehospital Trauma Life Support)
- PALS (Paediatric Advanced Life Support) preferred
- Previous experience in clinical teaching and excellence in clinical practice
- Proficient computer skills in Microsoft Office, email and internet resourcing
- Portrays professional image/excellent role model
- Strong analytical skills
- Knowledge of and experience with professional practice and program development tools
- Demonstrated ability to prepare learning materials and facilitate group educational sessions
- Strong leadership, interpersonal skills, teambuilding and conflict management skills
- Excellent coaching skills (critiques development of staff and provides appropriate feedback)
- Demonstrated effective communication skills (written and verbal)
- Demonstrated ability to effectively network with other disciplines
- Excellent time management and organizational skills
- Demonstrated knowledge of and commitment to patient and staff safety
- Demonstrated ability to attend work on a regular basis

We foster a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct.

As part of the assessment process applicants may be required to complete a written examination or test. Please be advised that an internal reference check may be conducted as part of the selection process.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted.

In order to be considered for this position, please submit a completed **Application to Job Posting** form and a **detailed resume**, quoting posting #35249, by deadline date to:
