

ONA

London Health Sciences Centre

Registered Nurse: Regular Part-Time "A" Cancer Care Clinic Services

London Regional Cancer Program

This position is covered by a collective agreement. Applications from outside the bargaining unit are welcome but can only be considered if the position is not filled from within this bargaining unit.

Cancer Care Clinic Services is located on Level 2 of the London Regional Cancer Program at the Victoria Hospital Site of LHSC. The clinic has four outpatient clinics where patients are seen in consultation related to their cancer diagnosis and are assessed for treatment and follow-up care.

Oncology Nurses are a core component of patient care in the clinics. Nurses provide assessments, patient teaching, telephone consultations, and offer support and guidance to both patients and their families. Exceptional communication and time management skills allow them to adapt to a continuously changing and challenging environment.

Rate of Pay: \$30.17/hour to \$42.85/hour

Hours of Work: Regular Part-Time hours up to 48 hours bi-weekly

QUALIFICATIONS:

- Registered Nurse, currently registered with the College of Nurses of Ontario
- Current Basic Life Support for Healthcare Providers course: BLS-HCP(C)
- Bachelor of Science in nursing preferred
- C. N. A. Certification in Oncology Nursing preferred
- Experience working in a comprehensive oncology ambulatory setting within the last three years
- Experience working on an oncology inpatient setting is an asset
- Demonstrated proficiency with Venipuncture, IV starts, venous access is an asset
- Demonstrated competence in the assessment and management of pain and other symptoms related to cancer and related therapies
- Demonstrated competence in nursing assessment and management of oncological emergencies
- Demonstrated understanding of complex cancer pain and skills to manage both the pharmacologic and non-pharmacologic interventions
- Demonstrated ability to function independently and as member of a multidisciplinary team
- Demonstrated proficiency in problem solving, in setting priorities and managing multiple demands in a fast-paced environment
- Demonstrated proficiency in written and oral communication skills
- Demonstrated proficiency in clinical assessment and decision making skills
- Demonstrated proficiency in patient/family teaching skills
- Evidence of commitment to self-directed learning
- Demonstrated knowledge of and commitment to the principles of patient and family centred care
- Demonstrated knowledge of and commitment to patient and staff safety at LHSC
- Demonstrated ability to attend work on a regular basis

We foster a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct.

London Health Sciences Centre is committed to providing a safe, healthy and inclusive work environment that inspires respect. LHSC encourages applications from persons with disabilities and we are committed to providing accommodations upon request.

As part of the assessment process applicants may be required to complete a written examination or test. Please be advised that a reference check may be conducted as part of the selection process.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted. Successful candidates, as a condition of job offer, would be required to provide a satisfactory vulnerable sector police check (original document) completed in the last 4 months.

In order to be considered for this position, please submit a detailed resume to: nursingcareers@lhsc.on.ca
