

Registered Nurse: Regular Full-Time Cancer Care Treatment Units

London Regional Cancer Program

This position is covered by a collective agreement. Applications from outside the bargaining unit are welcome but can only be considered if the position is not filled from within this bargaining unit.

The Cancer Care Treatment Units services are located within the London Regional Cancer Program at the Victoria Hospital site of LHSC. The chemotherapy suite has 33 chair/bed carespots and an 8 chair/bed Oncology Day Unit. Nurses receive extensive specialized education in the administration of chemotherapy, safe handling of cytotoxic agents and managing patient care related to treatment. Nurses care for patients with central lines, those requiring transfusions and other cancer related treatments. Oncology Day Unit services patients requiring care/treatments associated with their chemotherapy/clinic visit. Patient Review supports patient care/treatments associated with radiation therapy. Team work is essential in this fast-paced and challenging environment.

Rate of Pay: \$30.59/hour to \$44.22/hour
Hours of Work: 37.5 hours per week

QUALIFICATIONS:

- Current registration with the College of Nurses of Ontario
- Current Basic Life Support for Healthcare Providers course: BLS-HCP(C)
- Bachelor of Science in Nursing preferred
- Canadian Nurses Association Certification in Oncology (CON(c)) preferred

- Demonstrated competency in administration of chemotherapy and safe handling of cytotoxic agents within the past 2 years preferred
- de Souza Institute, Chemotherapy and Biotherapy Provincial Standardized Course preferred
- Two years recent adult oncology nursing experience in either inpatient or ambulatory setting
- Demonstrated proficiency with Venipuncture, IV starts, Vascular Access Devices
- Demonstrated competence in cancer symptom management and nursing management of oncological emergencies
- Demonstrated proficiency in problem solving, in setting priorities and managing multiple demands in a fast-paced environment
- Demonstrated proficiency in written and oral communication skills
- Demonstrated proficiency in clinical assessment and decision-making nursing skills
- Demonstrated proficiency in patient/family teaching skills
- Demonstrated ability to function effectively as a team member
- Ability to work flexible hours
- Evidence of commitment to self directed learning
- Demonstrated knowledge of and commitment to the principles of patient family centred care
- Demonstrated knowledge of and commitment to patient and staff safety at LHSC
- Demonstrated ability to attend work on a regular basis

We foster a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct.

London Health Sciences Centre is committed to providing a safe, healthy and inclusive work environment that inspires respect. LHSC encourages applications from persons with disabilities and we are committed to providing accommodations upon request.

As part of the assessment process applicants may be required to complete a written examination or test. Please be advised that a reference check may be conducted as part of the selection process.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted. Successful candidates, as a condition of job offer, would be required to provide a satisfactory vulnerable sector police check (original document) completed in the last 4 months.

In order to be considered for this position, please submit a detailed resume to: nursingcareers@lhsc.on.ca
