

## Pre-Planning Transrectal Ultrasound

The purpose of this visit is to map and measure your prostate. This information allows the radiation oncologist and physicist to plan your procedure.

Following your ultrasound, your health care team will teach you about the implant procedure. A booklet will also be given to you to learn about your next visits. You may bring a friend or family member to this meeting..

### How do I prepare for the Pre-Planning Transrectal Ultrasound?

- In the morning before your procedure, please use a **Fleet Enema®**. You can get this medicine at any pharmacy without a prescription. It is found in the laxative section.
- Eat your breakfast.
- Take your usual medications.

**Date:** \_\_\_\_\_

**Time:** \_\_\_\_\_ (arrive 10 minutes early to register).

**Location:** Radiation Therapy Reception, Level 1 (Atrium)  
London Regional Cancer Program  
790 Commissioners Road East, London

OR Nurses: Tammie Murray and Leanne Derrah

Telephone: 519-685-8600 ext. 53155
