

**Sleep Medicine Rounds
LHSC – South Street Hospital**

Friday October 23, 2009
0800-0900h

****ROOM N101****

**Note room change
(just inside main entrance off of South Street)**

Speaker: Dr. Kathleen A. Ferguson

Topic: Clinical Screening for OSA

Objectives:

- 1)** Provide an overview of the clinical features most associated with the diagnosis of OSA.
- 2)** Review commonly used clinical prediction tools for the diagnosis of OSA.

This event is an accredited Category 1 group learning activity as defined by the Maintenance of Certification (MOC) Program of the Royal College of Physicians and Surgeons of Canada. Attendance will be taken and evaluation forms distributed.
