Save the Date!

**Friday September 16th—Sunday September 18th
2011**

The Just the Guys program is a weekend residential camp for boys ages 4-17 who are affected by an inherited bleeding disorder and an accompanying father/male role model ages 19 and above.

The weekend provides an opportunity for participants to gain a better understanding of the diagnoses, as well as to connect with other families through a series of education sessions, activities, and networking opportunities.

Note: 4 year olds will be given individual consideration for participation, and 17 year olds have the option of attending as a participant with their father/ accompanying male role model, or attending as a regional Just the Guys Youth Volunteer (one volunteer position per region).
