

CONSORTIUM STAFF BIO SKETCHES

- Anna Arcuri Psychologist, Adult Mental Health Track
St. Joseph's Health Care London – Operational Stress Injury Clinic
Ph.D., University of Windsor, 2013
Clinical Interests: Assessment and treatment of post-traumatic stress disorder and other psychological difficulties related to military service; Couples therapy
Research Interests: Perfectionism and communication in romantic relationships; couples functioning
- Rod Balsom Psychologist, Adult Mental Health Track
St. Joseph's Health Care London - Southwest Centre for Forensic Mental Health Care
Ph.D., Western University, 1999
Clinical Interests: Psychological assessment and intervention in the forensic system with inpatient and outpatient clients; Intervention consists primarily of cognitive behavioural therapy with adults presenting with mood and psychotic disorders
Research Interests: Program development and evaluation; Health promotion
- Danielle Bedard Psychologist, Adult Mental Health Track
London Health Sciences Centre - Victoria Hospital
Ph.D., University of Toronto, 2008
Clinical Interests: Comprehensive psychological assessment; Trauma and post-traumatic stress disorder; Cognitive behavioural therapy for adults with mood and anxiety disorders
Research Interests: Clients' emotional processing; Psychotherapy process and outcome
- Nicole Beeby Psychometrist, Neuropsychology Track
London Health Sciences Centre - University Hospital
B.A., University of Windsor, 2014
Clinical Interests: Neuropsychological assessment regarding a broad range of neurological disorders. Specific interests include: brain lesions, schizophrenia, mood disorders, and psychopathy
Research Interests: Applied memory research including false memories and imagination inflation
- Jared Berman Psychologist, Child/Adolescent Track
Child and Parent Resource Institute (CPRI)
Ph.D., University of Calgary, 2013
Clinical Interests: Clinical assessment and treatment of children and adolescents with complex mental health problems; Cognitive Behaviour Therapies; Trauma Informed Therapies; Adolescent Residential Treatment
Research Interests: Program evaluation; Intensive service delivery; Language Development

London Clinical Psychology Residency Consortium 2017-2018

Jo-Ann Birt	<p>Psychologist, Child/Adolescent Track London Health Sciences Centre - Children's Hospital / Victoria Hospital Ph.D., University of Windsor, 1996 <u>Clinical Interests:</u> Assessment and treatment of internalizing disorders with high-risk youth (CBT and DBT techniques); empirically supported treatments and program development; multisystemic treatment; trauma <u>Research Interests:</u> effective inpatient treatments; factors affecting adjustment to trauma, suicide risk; mood and anxiety disorders</p>
Katie Bond	<p>Psychometrist, Adult Mental Health Track London Health Sciences Centre M.Ed. Psych /Spec Ed. – Western University, Anticipated Fall 2016 <u>Clinical Interests:</u> assessment of clients with a diagnosed eating disorder; program evaluation and development <u>Research Interests:</u> mental health and protective factors; socio-emotional learning and development; safe schools and bullying; psychoeducational assessment; influence of emotional intelligence on psychological resiliency; curriculum design and program development</p>
Gani Braimoh	<p>Psychologist, Child/Adolescent Track Child and Parent Resource Institute (CPRI) Psy.D., Adler School of Professional Psychology, 2006 <u>Clinical Interests:</u> Mood Disorders clinic lead; Parents of children with bipolar disorder; Cognitive behavioural therapy; Adlerian psychology; Community psychology</p>
Susan Bryant	<p>Psychologist, Child/Adolescent Track Child and Parent Resource Institute (CPRI) Ph.D., University of Western Ontario, 1987 <u>Clinical Interests:</u> Infants and young children at risk for or identified with developmental and/or physical disabilities; Sexuality education for children and adolescents</p>
Gita Canaran	<p>Psychologist, Adult Mental Health Track St. Joseph's Health Care London - Parkwood Institute M.A., Lakehead University, 1994 <u>Clinical Interests:</u> Inpatient treatment of complex trauma and traumatic psychosis within a Recovery Model including CBT for Psychosis, integrated therapy and trauma-focused therapies <u>Research Interests:</u> Neurocognition in psychosis</p>
Jason Carr	<p>Psychologist, Adult Mental Health Track Operational Stress Injury Clinic, Parkwood Hospital Ph.D., University of British Columbia, 2003 <u>Clinical Interests:</u> Individual and group psychotherapy; anxiety, mood, and psychotic disorders; substance misuse; neuropsychological assessment and intervention. <u>Research Interests:</u> Mindfulness, group interventions, assessment and treatment of PTSD</p>

London Clinical Psychology Residency Consortium 2017-2018

- Jeff Carter Psychologist/Director of Quality Improvement, Child/Adolescent Track
Vanier Children's Services
Ph.D., University of Western Ontario, 2000
Clinical Interests: Clinical assessment and treatment with children, adolescents, and their families; Childhood trauma; Parents' mental health; Clinical supervision
Research Interests: Data-driven practice and performance measurement; Prevention and management of dangerous behaviour
- Danielle Cataudella Psychologist, Child/Adolescent and Health/Rehabilitation Tracks
London Health Sciences Centre - Children's Hospital / Victoria Hospital
Psy.D., Nova Southeastern University, 2002
Clinical Interests: Evidence based treatments for mood and anxiety disorders in medically fragile children; Consultation-liaison for somatoform presentations in the acute medical setting; Psychological sequelae in childhood cancer survivors; Evidence based treatments (individual and group) for complex sibling and parental bereavement
Research Interests: Paediatric palliative care; Psychological acute and late effects of childhood cancer
- Lee Ann Charlton Psychologist, Child/Adolescent Track
St. Joseph's Health Care London – Parkwood Institute
Ph.D., Harvard University, 1992
Clinical Interests: Cognitive and dialectical behaviour therapy approaches with adolescents
- Sabrina Chiarella Psychologist, Child/Adolescent Track
Vanier Children's Services
Ph.D., Concordia University, 2015
Clinical Interests: Clinical assessment and treatment with children, adolescents, and their families; Childhood trauma; Attachment; Mood and anxiety disorders; behavioural struggles in the preschool and middle-childhood developmental periods
Research Interests: Program Evaluation; mood and anxiety disorders in children and adolescents; Resiliency among children in at-risk populations; Development during the infancy period; Language Development
- Kerry Collins Psychologist, Child/Adolescent Track
London Health Sciences Centre – Children's Hospital / Victoria Hospital
Ph.D., University of Windsor, 2003
Clinical Interests: Assessment and treatment of complex internalizing difficulties (e.g., school avoidance) in children and adolescents; Evidence-based practice for mood and anxiety disorders; Program development and evaluation
Research Interests: Management of childhood anxiety disorders in public sectors; Waitlist interventions for anxiety; Group CBT for anxiety and OCD
- Jennifer Crotagino Psychologist, Child/Adolescent and Health/Rehabilitation Tracks
London Health Sciences Centre - Children's Hospital / Victoria Hospital
Ph.D., McGill University, 2002
Clinical Interests: Assessment and treatment of children and adolescents with chronic pain. Patients are seen in a multidisciplinary Paediatric Chronic Pain Clinic. Psychology follow up and treatment may involve psycho-education for the patient and family, individual therapy and/or group therapy. Program development and evaluation
Research interests: Paediatric chronic pain

- Kathryn Dance Psychologist, Counselling Track; Track Coordinator
Student Development Centre - Western University
Ph.D., University of Western Ontario, 1991
Clinical Interests: Trauma and PTSD; Clinical implications of attachment theory; relational theory; LGBT issues in psychotherapy
- Tracy Desjardins Psychologist, Adult Mental Health Track
St. Joseph's Health Care London-Southwest Centre for Forensic Mental Health Care
Ph.D., University of Victoria, 2014
Clinical Interests: Assessment (e.g., violence risk, criminal responsibility, fitness to stand trial, malingering, diagnosis) and treatment (e.g., CBT, DBT) in a forensic setting; Posttraumatic Stress Disorder; Substance Use Disorders
Research Interests: Program evaluation; emotional support; transition to adulthood; predictors of forensic system entry/outcome
- Andrea Downie Neuropsychologist, Neuropsychology Track
London Health Sciences Centre - Children's Hospital / Victoria Hospital
Ph.D., Queen's University, 2000
Clinical Interests: Neuropsychological assessment, diagnosis, and consultation of children treated for childhood cancer, as well as neurological, genetic, and metabolic disorders
Research Interests: Academic and cognitive sequelae of the treatments for Acute Lymphoblastic Leukemia (ALL); Social functioning in children treated for brain tumours and ALL; Attention deficit hyperactivity disorder.
- Stephanie Dubois Psychologist, Adult Mental Health Track
St. Joseph's Health Care London – Parkwood Institute
Ph.D., Ball State University, 2003
Clinical Interests: Psychological assessment and individual therapy for patients with persistent mental (affective, psychotic, personality) disorders in an inpatient setting. Theoretical approaches utilized: Integrative psychotherapy; Informed by counter-transference/transference issues, trauma informed care, working alliance and process of change. Supervision emphasis on professional identity, mentoring and advocacy
- Julie Eichstedt Psychologist, Child/Adolescent Track
London Health Sciences Centre - Children's Hospital / Victoria Hospital
Ph.D., Concordia University, 2002
Clinical Interests: Psychological assessment and treatment of children, adolescents, and their families; Mood and Anxiety Disorders; Autism Spectrum Disorders; Personality Disorders; Cognitive behavioural therapy.
Research Interests: Program evaluation, mood and anxiety disorders in children and adolescents, models of service delivery in children's mental health
- Connie Ellis Psychometrist, Adult Mental Health Track
St. Joseph's Health Care London – Parkwood Institute
B.A. (Honours), University of Western Ontario, 2005
Clinical Interests: Mood disorders; Adolescent and young adult psychopathology
Research Interests: Sex and marriage counselling; Psychometric test measures; Axis-II disorders

London Clinical Psychology Residency Consortium 2017-2018

- Elspeth Evans Psychologist, Counselling Track; Site Coordinator
Student Development Centre - Western University
Ph.D., The University of Western Ontario, 2008
Clinical Interests: Treatment of adolescents and adults with mood and anxiety disorders; Mindfulness meditation; Parenting capacity; Integrative approaches to psychotherapy
Research Interests: Adult attachment, mental health and trauma; Mindfulness meditation in a university population
- Laura Fazakas-DeHoog Psychologist, Adult Mental Health Track
St. Joseph's Health Care London: Southwest Centre for Forensic Mental Health Care
Ph.D., University of Western Ontario, 2007
Clinical Interests: Psychological profiling; Assessment and treatment of trauma and complicated grief; Treatment of severe pathology and personality disorders
Research Interests: Prediction of violent recidivism in the forensic population; Effective treatment of trauma and complicated grief; Psychotherapy for psychotic disorders; Prediction of violent and self-destructive behaviour; Design and test an integrative model of suicidal thinking and behaviour within a clinical population
- Susan Fisher Psychometrist, Community Services
Vanier Children's Services
M.A., Laurentian University, 1994
Clinical Interests: Assessment of cognitive, behavioural and social-emotional functioning in children and adolescence
Research Interests: Program and outcome evaluation
- Jennifer Fogarty Neuropsychologist, Neuropsychology Track
St. Joseph's Health Care London - Parkwood Institute
Ph.D., University of Waterloo, 2001
Clinical Interests: Diagnostic neuropsychological assessment of adult and elderly individuals with a spectrum of cognitive impairments from mild cognitive impairment to early stage dementia; Primarily outpatient work but also consultation to long-term care regarding behavioural management of clients with dementia who are displaying challenging behaviours; Consultation to Community Care Access Centre staff in nine counties throughout southwest Ontario; Cognitive rehabilitation group work for elderly individuals with mild cognitive impairment
Research Interests: Program evaluation; Predicting driving safety in the elderly; Cognitive rehabilitation and predicting post-operative cognitive decline
- Judith Francis Psychologist, Health/Rehabilitation Track
St. Joseph's Health Care London - St. Joseph's Hospital
Ph.D., Dalhousie University, 1999
Clinical Interests: Assessment and treatment of cardiovascular patients; Developing programs for women with cardiovascular disease
Research Interests: Factors affecting women's access and participation in rehabilitation and secondary prevention programs following a cardiac event or stroke; Psychosocial issues affecting women with cardiovascular disease

London Clinical Psychology Residency Consortium 2017-2018

Jared French	Psychologist, (Supervised Practice), Counselling Track Student Development Centre - Western University Ph.D., University of Calgary, 2015 <u>Clinical Interests:</u> Post-Structural Therapies (e.g., Narrative, Collaborative, Solution-Focused); Acceptance and Commitment Therapy; Single-Session and Brief Therapy <u>Research Interests:</u> Therapeutic processes; Discourse analysis applied to therapeutic conversations; Counsellor development.
Paul Frewen	Psychologist, Adult Mental Health Track London Health Sciences Centre - University Hospital Ph.D., University of Western Ontario, 2008 <u>Clinical Interests:</u> Trauma-focused psychotherapy, CBT, and process-experiential psychotherapy <u>Research Interests:</u> Neuroimaging in trauma patients
Heather Getty	Psychologist, Health/Rehabilitation Track St. Joseph's Health Care London - St. Joseph's Hospital Ph.D., University of Windsor, 2002 <u>Clinical Interests:</u> Individual and group psychotherapy; Cognitive behavioural, psychodynamic, and acceptance and commitment-based interventions <u>Research Interests:</u> Identification of individuals at heightened risk for dysfunction secondary to pain; Pain self-management strategies related to better adjustment among individuals with chronic pain; Relationship between gender and adjustment in the context of chronic pain conditions
Maggie Gibson	Psychologist, Health/Rehabilitation Track St. Joseph's Health Care London - Parkwood Institute Ph.D., University of Western Ontario, 1987 <u>Clinical Interests:</u> Knowledge translation and exchange on geropsychology issues, program development <u>Research Interests:</u> Resiliency, vulnerability and social inclusion related to issues such as aging in place of choice, residential care, digital technology, end of life care and disaster risk reduction
Shannon Gifford	Psychologist, Adult Mental Health Track St. Joseph's Health Care London - Parkwood Institute Ph.D., University of Waterloo, 2006 <u>Clinical Interests:</u> Assessment and treatment of post-traumatic stress disorder and other psychological difficulties related to military service; Cognitive behavioural therapy for adults with anxiety disorders <u>Research Interests:</u> Treatment outcome in complex post-traumatic stress disorder; Trauma-related sleep disturbances
Karin Gleason	Psychologist, Child/Adolescent Track Child and Parent Resource Institute (CPRI) Ph.D., University of Western Ontario, 2000 <u>Clinical Interests:</u> Psychological assessment and treatment of children with Intellectual Disabilities and emotional disorders (anxiety, mood, and attachment); Residential treatment of children with Intellectual Disabilities and behaviour disorders; Behavioural feeding disorders

- Erica Gold Psychologist, Child/Adolescent and Health/Rehabilitation Tracks
London Health Sciences Centre - Children's Hospital / Victoria Hospital
Ph.D., University of Manitoba, 1986
Clinical Interests: Children and families coping with chronic illness and health problems; Pain management, especially management of children's headaches; Stress management; Mood disorders; Anxiety disorders
- Esther Goldberg Psychologist, Child/Adolescent Track
Vanier Children's Services
Ph.D., University of Western Ontario, 2003
Clinical Interests: Assessment of and intervention with children with cognitive, behavioural, and/or social-emotional difficulties; Working with parents, teachers, and child workers to better understand the needs of this clinical population
Research Interests: Mental health learning needs of parents and teachers/ school personnel
- Gloria Grace Neuropsychologist, Neuropsychology Track
London Health Sciences Centre - University Hospital
Ph.D., University of Victoria, 1990
Clinical Interests: Neuropsychological assessment of adults with a broad range of neurological disorders. Specific interests: Pre-operative assessment for Deep Brain Stimulation Surgery; Differential diagnosis of dementia; Parkinson's disease and related disorders
Research Interests: Cognitive impairment in ALS and other motor neuron diseases
- Brendan Guyitt Psychologist, Adult Mental Health Track; Site Coordinator
London Health Sciences Centre - Victoria Hospital
Ph.D., University of New Brunswick, 2011
Clinical Interests: CBT; Mood and anxiety disorders; Personality disorders; Case formulation; Program evaluation
Research Interests: Understanding beliefs and belief change; Cognitive processes in depression and anxiety
- Michael Harnadek Neuropsychologist, Neuropsychology Track
London Health Sciences Centre - University Hospital
Ph.D., University of Windsor, 1993
Clinical Interests: Neuropsychological assessment of adults following stroke, concussion (with post-concussion syndrome) or who have acquired degenerative cognitive disorders. Specific interests: Concussion, Post-concussion syndrome; Stroke; Evaluation of response bias
Research Interests: Cognitive impairment following transient ischemic attack and minor stroke; Response bias in psychological testing
- Jeremy Harrison Psychologist, Adult Mental Health Track
St. Joseph's Health Care London – Parkwood Institute
Psy.D., Florida Institute of Technology, 2005
Board Certified in Clinical Psychology
American Board of Professional Psychology (ABPP)
Clinical Interests: Psychological assessment and treatment of adults with persistent mental illnesses; Cognitive behavioural therapy approaches; Integrative approaches to psychotherapy
Research Interests: Applied research; Psychotherapy effectiveness

London Clinical Psychology Residency Consortium 2017-2018

Brent Hayman-Abello	Neuropsychologist, Neuropsychology Track; Director of Clinical Training London Health Sciences Centre - University Hospital Ph.D., University of Windsor, 2003 <u>Clinical Interests:</u> Neuropsychological assessment of adults with neurological disorders, with specific interests in epilepsy, stroke, and dementia; Impact of epilepsy on cognitive and daily living abilities <u>Research Interests:</u> Cognitive change following epilepsy surgery; Compensatory strategy training for persons with cognitive impairments
Susan Hayman-Abello	Neuropsychologist, Neuropsychology Track London Health Sciences Centre - University Hospital Ph.D., University of Windsor, 2006 <u>Clinical Interests:</u> Neuropsychological assessment of adults and adolescents with neurological disorders, with specific interests in epilepsy and pre-surgical evaluations <u>Research Interests:</u> Discrepancies in subjective and objective memory impairment; cerebral localization of cognitive dysfunction and prediction of post-surgical changes; Issues associated with repeated neuropsychological assessments
Marnin Heisel	Psychologist, Adult Mental Health Track London Health Sciences Centre - Victoria Hospital Ph.D., York University, 2001 <u>Clinical Interests:</u> Assessment and treatment of adults and older adults with mood disorders and at elevated risk for suicide; Interpersonal/psychodynamic and humanistic/existential psychotherapy <u>Research Interests:</u> Study and prevention of suicide among older adults including improving the identification of older adults at-risk for suicide; Testing models of late-life suicide risk and resiliency and developing and evaluating suicide risk assessment measures and methods; Enhancing treatment provision by developing and testing interventions with depressed and/or suicidal older adults; Enhancing healthcare provider knowledge of late-life suicide prevention by developing clinical guidelines and knowledge translation tools and evaluating with respect to dissemination, training, and uptake
Marilyn Hill	Psychologist, Health/Rehabilitation Track St. Joseph's Health Care London - St. Joseph's Hospital Ph.D., University of British Columbia, 1996 <u>Clinical Interests:</u> Cognitive behavioural therapy (individual and group); Interprofessional chronic pain management groups for a wide variety of chronic pain conditions; Stress management; EMG biofeedback; Impact of chronic illness on sexual functioning; Assessment and treatment of depression associated with chronic illness; Relapse prevention <u>Research Interests:</u> Interprofessional chronic disease/chronic pain management; and variables predicting treatment outcome
Tevya Hunter	Psychometrist, Adult Mental Health Track London Health Sciences Centre - Victoria Hospital M.A., University of Manitoba, 2011 Ph.D. Candidate, University of Manitoba <u>Clinical Interests:</u> Assessment and treatment of post-traumatic stress disorder and other psychological difficulties related to workplace injuries; therapy focused on identity, self-acceptance, and adjustment to life transitions <u>Research Interests:</u> Women's experience of burn injury; resiliency; traumatic injury

- Gail Hutchinson Psychologist, Counselling Track
Director, Student Development Centre - Western University
Ph.D., University of Western Ontario, 1976
Clinical Interests: Eclectic therapy model including cognitive-behavioural, DBT, EMDR, neurofeedback and psychodynamic approaches. Special interest in assessment and treatment of trauma and abuse
Research Interests: Abuse experiences in a university and college student population
- Tony Iezzi Psychologist, Health/Rehabilitation Track
London Health Sciences Centre - Victoria Hospital
Ph.D., University of Georgia, 1989
Fellow of the Canadian Psychological Association
Clinical Interests: Assessment and management of chronic pain and trauma
Research Interests: Psychological adjustment to medical conditions; Comorbidity of physical and psychological symptoms; Identification of early psychological risk factors in the development of medical conditions
- Lorraine Janzen Psychometrist, Neuropsychology Track
London Health Sciences Centre - Children's Hospital / Victoria Hospital
M.A.Sc., University of Waterloo, 1985
Clinical Interests: Neuropsychological assessment of children treated for childhood cancer, traumatic brain injury as well as neurological or neurosurgical conditions and genetic or metabolic disorders
- Patricia Jordan Psychologist, Child/Adolescent Track
Child and Parent Resource Institute (CPRI)
Ph.D., University of Western Ontario, 2012
Clinical Interests: Assessment and treatment of children and adolescents with complex mental health needs; Cognitive Behavioural Therapy; Models of service delivery for residential treatment; developmental trauma; assessment and consultation regarding sexualized behaviour
Research Interests: Cognitive vulnerability for anxiety and depression; Temperament-cognition interactions; Development of executive function; Program evaluation
- Mustaq Khan Psychologist, Adult Mental Health Track
St. Joseph's Health Care London – Parkwood Institute
Ph.D., University of Western Ontario, 1989
Research Interests: Pharmacotherapy effectiveness in the treatment of mood disorders
- Ann Klinck Psychological Associate, Child/Adolescent & Health/Rehabilitation Tracks
London Health Sciences Centre - Children's Hospital / Victoria Hospital
M.A.Sc., University of Waterloo, 1991
Clinical Interests: Counselling with families and consultation with schools regarding educational needs of paediatric cancer patients and siblings; Counselling, support and advocacy for childhood cancer survivors with treatment-related learning challenges
Research Interests: Long-term cognitive effects of paediatric cancer treatment; Long-term educational outcomes for childhood cancer survivors

- Andrea Lazosky Neuropsychologist, Neuropsychology Track
London Health Sciences Centre - Victoria Hospital
Ph.D., Rosalind Franklin University of Medicine and Science, 1990
Board Certified in Clinical Neuropsychology
American Board of Professional Psychology (ABPP)
Clinical Interests: Neuropsychological assessment and diagnosis of individuals with known or suspected brain impairment. Specific interests: Multiple trauma (including traumatic brain injury); Effects of systemic illness and infection on brain function; Brain tumours; Psychosocial rehabilitation
Research Interests: Neurological and emotional outcome following severe septic illness; Assessment of decision making capacity; disorders of consciousness in patients using brain-computer interface neuroimaging in the vegetative state
- David LeMarquand Psychologist, Adult Mental Health Track; Track Coordinator
Assistant Director of Clinical Training
St. Joseph's Health Care London – Parkwood Institute
Ph.D., McGill University, 1998
Board Certified in Clinical Psychology,
American Board of Professional Psychology (ABPP)
Clinical Interests: Psychological assessment, individual and group psychotherapy for individuals with concurrent severe and persistent mental (affective, psychotic, personality) and substance use disorders who are outpatients in a tertiary care hospital setting; Theoretical approaches utilized include interpersonal, cognitive-behavioural
Research Interests: Neurobiology of impulse control, aggression, psychotherapy outcome in personality-disordered individuals
- Amanda Rachel Levine Psychologist (Supervised Practice), Adult Mental Health Track
St. Joseph's Health Care London – Operational Stress Injury Clinic
Ph.D., University of Windsor, 2015
Clinical Interests: Assessment and treatment of post-traumatic stress disorder and other psychological difficulties related to military service; neuropsychological functioning of Veterans
Research Interests: sexual assault and other forms of victimization; vulnerability factors for development of posttraumatic stress disorder
- Sheila Linseman Psychometrist, Adult Mental Health Track
St. Joseph's Health Care London – Parkwood Institute
B.A. (Honours), Wilfred Laurier University, 1993
Clinical Interests: Vocational, cognitive, and personality assessment
Research Interests: Interpersonal Reconstructive Therapy; Generalized Anxiety Disorder; Learning disabilities; Psychological testing in second language speakers
- Cathy Maan Psychologist, Child/Adolescent and Health/Rehabilitation Tracks
London Health Sciences Centre - Children's Hospital / Victoria Hospital
Ph.D., University of Saskatchewan, 1994
Clinical Interests: Paediatric oncology; Paediatric critical care; Paediatric consultation-liaison; Family and child adjustment to acute and chronic illnesses and developmental disorders
- Connie Marshall Psychometrist, Neuropsychology Track
St. Joseph's Health Care London - Parkwood Institute
B.A. (Honours), University of Western Ontario, 1984
Clinical Interests: Improve working memory. Psychometric test development

- Philip Masson Psychologist, Adult Mental Health Track
London Health Sciences Centre
Ph.D., University of Calgary, 2013
Clinical Interests: Cognitive behavioural therapy, including third wave cognitive behavioural interventions (e.g., dialectical behaviour therapy, acceptance and commitment therapy); Diagnosis and treatment of eating, mood, and anxiety disorders; Working with ambivalence
Research Interests: Family interventions in adults with eating disorders; Use of technology assisted interventions in adults with eating disorder; Relapse prevention; Defining recovery in eating disorders; Dissemination of empirically supported treatment; Use of self-help and guided self-help treatments; Program development and evaluation
- Lorraine McFadden Neuropsychologist, Neuropsychology Track
St. Joseph's Health Care London: Parkwood Institute
PhD, Carleton University, 1993
Board Certified in Clinical Neuropsychology American Board of Professional Psychology (ABPP)
Clinical Interests: Geriatric Neuropsychology, Dementia, assessment methods
Research Interests: Assessment validation studies, neurodegenerative disorders
- Nicola McHale Psychologist
London Health Sciences Centre- First Episode Mood and Anxiety Program (FEMAP)
Ph.D., University of New Brunswick, 2015
Clinical Interests: Assessment and treatment of various mood and anxiety disorders; Early Intervention; Cognitive Behavioural Therapy (CBT); Acceptance and Commitment Therapy (ACT); Mindfulness
Research Interests: Vulnerability and resiliency factors associated with Major Depressive Disorder (MDD); Emotion Regulation
- Alexandra McIntyre-Smith Psychologist, Adult Mental Health Track
St. Joseph's Health Care London – Parkwood Institute, Operational Stress Injury Clinic
Ph.D., University of Western Ontario, 2010
Clinical Interests: Assessment and treatment of posttraumatic stress disorder and other psychological difficulties related to military service
Research Interests: Treatment of mental health issues specific to the military/combat context, sexual dysfunction
- Ashley Miles Neuropsychologist, Neuropsychology Track
London Health Sciences Centre – University Hospital
Ph.D., York University 2013
Clinical Interests: Adult and geriatric neuropsychological assessment, with a focus on pre- and post-surgical assessment of individuals with epilepsy and Parkinson's disease; Differential diagnosis of neurodegenerative conditions
Research Interests: Identifying the profile and magnitude of subjective and objective change in neuropsychological functioning following surgical intervention for neurological conditions

Ericka Mirc	<p>Psychological Associate, Child/Adolescent Track Vanier Children's Services M.A., University of Guelph, 1978 <u>Clinical Interests:</u> Clinical assessment of and treatment of children and their families; Consultation with parents, teachers, child and family therapists and child care workers to better understand the strengths and challenges of children with cognitive/developmental, behaviour and socio-emotional difficulties <u>Research Interests:</u> Bullying and aggressive behaviour; Trauma; Effects of parent mental health needs on their children; Resiliency among children and families</p>
Charles Nelson	<p>Psychologist, Adult Mental Health Track St. Joseph's Health Care London - Parkwood Institute Ph.D., University of North Texas, 2003 <u>Clinical Interests:</u> Crisis and acute care psychiatry; Cognitive behavioural therapy with adults; Pain and recovery from trauma <u>Research Interests:</u> Cardiac rehabilitation and the relationship between interpersonal factors and recovery; Cross validation of The Adult Needs and Strengths Assessment - Referral Version (ANSA-R) with utilization of psychiatric care; Spiritual care as a therapeutic adjunct to the recovery model</p>
Felicia Otchet	<p>Psychologist, Health/Rehabilitation Track London Health Sciences Centre – Victoria Hospital Ph.D., University of Cincinnati, 1996 <u>Clinical Interests:</u> Adjustment to traumatic events; Adjustment to chronic pain and/or chronic medical conditions; Women's health; Psycho-oncology; Feminist therapy; Traditionally underserved populations; Community-based health and mental health services <u>Research Interests:</u> Normative responses to medical procedures; Applied research in community mental health and health</p>
Steven Orenczuk	<p>Psychologist, Health/Rehabilitation Track St. Joseph's Health Care London - Parkwood Institute Psy.D., Illinois School of Professional Psychology, 1988 <u>Clinical Interests:</u> Assessment and intervention for clients admitted to an inpatient and outpatient rehabilitation program for individuals having sustained spinal cord injuries or other neurological disorders; Treatment of depression anxiety, pain, adjustment to disability issues; Consultation to interprofessional rehabilitation team regarding patient and family education; Collaborative injury prevention initiatives <u>Research Interests:</u> Evidence-based treatment planning and intervention; Knowledge transfer and health education initiatives for trauma prevention</p>
Rhonda Peterson	<p>Psychometrist, Neuropsychology Track London Health Sciences Centre - University Hospital M.A., University of Western Ontario, 2003 <u>Clinical Interests:</u> Neuropsychological assessments of epilepsy patients who are candidates for neurosurgery; Neuropsychological assessment of adults and adolescents with neurological disorders; Impact of epilepsy on cognitive and daily living abilities <u>Research Interests:</u> Cognitive change following epilepsy surgery; Cerebral localization of cognitive dysfunction and prediction of post-surgical changes</p>

London Clinical Psychology Residency Consortium 2017-2018

Mark Petter	<p>Psychologist, Adult Mental Health Track London Health Sciences Centre – Victoria Hospital Ph.D., Dalhousie University, 2014 <u>Clinical Interests:</u> Comprehensive psychological assessment, chronic pain, trauma and post-traumatic stress disorder, cognitive-behavioural therapy, mindfulness-based interventions <u>Research Interests:</u> The relationship between mindfulness and pain</p>
Susan Pigott	<p>Neuropsychologist, Neuropsychology Track London Health Sciences Centre - Children's Hospital/Victoria Hospital Ph.D., McGill University, 1990 <u>Clinical Interests:</u> Paediatric and adult neuropsychology; Epilepsy; Head injury; Assessment of temporal and frontal lobe dysfunction; Visual perception and memory <u>Research Interests:</u> Intellectual and memory functions in children with closed head injury; Visual perception and memory in adults and children with temporal-lobe dysfunction or closed head injury</p>
Peter Prior	<p>Psychologist, Health/Rehabilitation Track St. Joseph's Health Care London - St. Joseph's Hospital Ph.D., University of Western Ontario, 1991 <u>Clinical Interests:</u> Assessment and treatment of cardiovascular patients <u>Research Activities:</u> Measurement of individuals' outcomes in cardiac rehabilitation and secondary prevention; cardiac rehabilitation for secondary prevention with cerebrovascular disease; psychological and neurocognitive factors in vascular disease conditions; psychological factors in atrial fibrillation; guidelines, quality indicators, and standards development for cardiovascular disease prevention and management</p>
Bonnie Purcell	<p>Psychologist, Adult Mental Health Track, Geriatric Mental Health Program London Health Sciences Centre - Victoria Hospital Ph. D., Queen's University 2013 <u>Clinical Interests:</u> Clinical assessment and treatment with seniors and adults, mood disorders, addictions, smoking cessation, neurocognitive disorders, consultation <u>Research Interests:</u> Screening, assessment and intervention of alcohol-related problems in older adults</p>
Niki Rielly	<p>Psychologist, Child/Adolescent Track; Track Coordinator & Site Coordinator Child and Parent Resource Institute (CPRI) Ph.D., Queen's University, 2003 <u>Clinical Interests:</u> Clinical assessment and treatment of children and adolescents with complex mental health problems; Cognitive behaviour therapies including the Collaborative Problem Solving Approach <u>Research Interests:</u> Program evaluation; Intensive service delivery</p>

- Craig Ross Psychologist, Child/Adolescent Track
Child and Parent Resource Institute (CPRI)
Ph.D., University of Windsor, 2011
Clinical Interests: Residential and outpatient assessment and treatment of children and adolescents with an intellectual disability and mental health and/or behavioural concerns (“dual diagnosis”); Outpatient assessment and treatment of children or adolescents with an Autism Spectrum diagnosis and co-morbid mental health concerns; Functional assessment of challenging behaviours and positive behaviour supports, and modified cognitive-behavioural approaches; Identification of resources and supports for individuals with complex special needs; Working with families, schools and community agencies to support clients; Interprofessional team-work within a biopsychosocial framework
Research Interests: Use of social media and computer-mediated communication within a social-capital framework; Within clinical populations, use of social media and gaming as a replacement for more traditional forms of social interaction
- Erin Ross Psychologist, Adult Mental Health Track
London Health Sciences Centre - Victoria Hospital
Ph.D., OISE/University of Toronto, 2013
Clinical Interests: Women’s mental health; Trauma and PTSD; Mood and anxiety disorders; Neurocognitive and psychoeducational assessment
Research Interests: Women’s mental health; Gender issues; Participatory action research; Arts-based research; Trauma and PTSD; Body image; Holistic wellness
- Maya Roth Psychologist, Adult Mental Health Track
St. Joseph’s Health Care London – Parkwood institute, Operational Stress Injury Clinic
Ph.D., York University, 2009
Clinical Interests: Assessment and treatment of military-related PTSD and comorbid mood and anxiety disorders and chronic pain, Cognitive Behavioural Therapy interventions for mood and anxiety disorders, dissemination of evidence-based treatment for military-related PTSD
Research Interests: Treatment outcome in posttraumatic stress disorder, mood disorders, and chronic pain among military and veteran personnel, pain and psychological distress at end of life
- Susan Ruscher Psychologist, Counselling Track
Student Development Centre - Western University
Ph.D., University of Western Ontario, 1994
Clinical Interests: Psychological assessment and cognitive behavioural treatment of adolescents and adults with depression, anxiety, post-trauma symptoms, bereavement, and/or pain
Research Interests: Therapeutic effectiveness
- Devita Singh Psychologist, Child/Adolescent Track
London Health Sciences Centre - Children’s Hospital/Victoria Hospital
Ph.D., University of Toronto (OISE), 2012
Clinical Interests: Psychological assessment and treatment of children, adolescents, and their families; Mood and Anxiety Disorders; Autism Spectrum Disorders; Gender Identity Disorders; Personality Disorders; Cognitive behavioural therapy
Research Interests: Program evaluation, mood and anxiety disorders in children and adolescents, gender identity disorders, models of service delivery in children’s mental health

- Carla Smith Psychologist, Child/Adolescent Track; Site Coordinator
Vanier Children's Services
Ph.D., York University, 2004
Clinical Interests: Clinical assessment and treatment of children and their families; Working with parents, teachers, and child workers to better understand ways of addressing the personal strengths and challenges of children with cognitive/developmental, social-emotional, and behavioural difficulties
Research Interests: Bullying and aggressive behaviour (including gender differences); Factors influencing long-term outcomes of intervention (including early intervention/prevention); Resiliency among children in at-risk populations
- Farida Spencer Psychologist, Adult Mental Health Track
St. Joseph's Health Care London – Parkwood Institute
Ph.D., University of Western Ontario, 1984
Clinical Interests: Therapy interventions and consultations with an adult psychiatric population with a variety of diagnoses: i.e., schizophrenia, paranoid/psychotic disorders, affective disorders (major depression, bipolar), eating disorders, substance abuse; Treatment of clients diagnosed with personality disorders
Research Interests: Demonstrating effectiveness in treatment outcomes of Interpersonal Reconstructive Therapy (IRT) approach with difficult to treat clients with diagnoses of personality disorders
- Jeff St. Pierre Psychologist, Child/Adolescent Track; Psychology Professional Practice Lead
Child and Parent Resource Institute (CPRI)
Ph.D., University of Western Ontario, 1992
Clinical Interests: Tertiary inpatient child and family mental health assessment and treatment; Selective Mutism and anxiety; Cognitive behavioural therapies; Real world effectiveness of evidence-based therapies; Supporting children with multiple learning and mental health disabilities; Teaching professionals
Research Interests: Long-term outcomes within a system of care for children and youth with high needs; Selective Mutism
- Beverly Jane Ulak Psychologist, Counselling Track
Student Development Centre, Western University
Ph.D., OISE/University of Toronto, 2002
Clinical Interests: Assessment and treatment of university students for the problems of everyday living. Humanistic-Existential and Experiential Psychotherapy, Acceptance and Commitment Therapy, Feminist Theory, and Expressive Therapies (including art, photography, and metaphor).
