

HEPARIN
SULFAMIDASE,
FIBROBLASTS

Orderable – Use Requisition to order

Alternate Name(s):

MPSIIIA
Sanfilippo A Syndrome

Laboratory:
Biochemical Genetics Lab

Specimen:

Fibroblasts

Requisition:
[BIOCHEMICAL GENETICS
LAB REQUISITION](#)

Collection Information:

Collect and send fibroblasts (tissue specimen) in a sterile container. Blood is not suitable for fibroblast testing.

Reference Ranges:

25-75 nmol/mg protein/17 hr

Test Schedule:
As required

Storage and Shipment:

Sample must be sent to lab **immediately**.
