

WESTERN UNIVERSITY BScN PROGRAMS

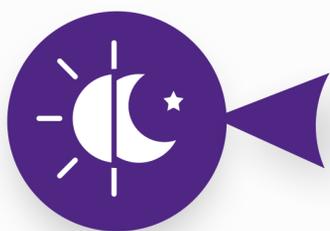

CLINICAL PLACEMENT MODEL
CHANGE COMING: STARTING MAY 2023

New Placement Model

1:1 Preceptor/Mentor

Students will be paired with a preceptor/mentor for all hospital based placements.

Follow preceptor/mentor schedule for 3 week block

Students will work day and/or night shifts with their preceptor/mentor for a total of 9 12-hour shifts (or equivalent) in a 3 week timeframe.

Student and preceptor/mentor will be supported by Western Faculty Advisor

Faculty Advisor participates in student-preceptor/mentor learning partnership to provide support, consultation, and mentorship.
