Attention: Group Sessions Webex Participants

If you have logged into this meeting with your personal Webex account, your email address will be viewable to other participants in the meeting.

To ensure your email address is not viewable within Webex please follow the steps below to join as a guest.

1. Please select "I decline" on the open disclaimer window.
2. Sign out of your Webex account.
3. Return to the email invitation.
4. Select "Click here to join appointment".
5. Join as a "Guest".

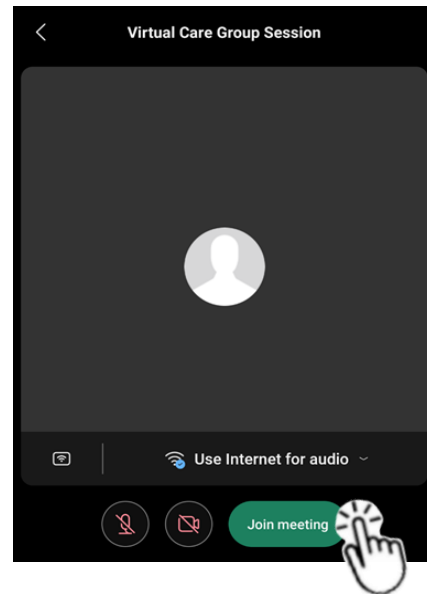

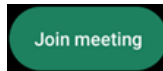

Closed Captioning

Closed captioning is available in Webex for you to use during video virtual care appointments. Closed captions may not always be accurate and the use of closed captioning is at your own risk. Transcripts of closed captions are not saved in the system and cannot be accessed at a later date.

By clicking "I agree", you are confirming that you understand the above message. Doing so will send you to the virtual waiting room where your healthcare provider will meet you when they are ready to start your appointment.
