Patient Information Continued:	
Most recent BMD scan (YYYY/MM/DD):	ocation of last scan:
Next BMD scan due (YYYY/MM/DD):	
Does this patient have any special needs or impairments? (Pleas	a specifu):
 Low Risk 2nd BMD – 36 months since previous Low Risk Follow-Up 3rd BMD and Subsequent – 60 months since 	•
Clinical Indication (reason for exam) (Check ALL THAT APPLY ☑)	Medical Information Questionnaire: (Must be completed in full)
□ Anorexia Nervosa Yes No □ Asymptomatic Primary Hyperparathyroidism □ □	
	Do you have a family history of osteoporosis? Are you post-menopausal?
	If yes, at what age was your last menstrual period? (Age)
	Have you had your uterus removed (Hysterectomy)?
	If yes, at what age was it removed? (Age)
	Have you had either ovary removed (Oophorectomy)?
Height loss of more than 2 inches	
 Height loss of more than 2 inches Hyperthyroidism, Hyperparathyroidism 	If yes, at what age was it removed? (Age)
 Height loss of more than 2 inches Hyperthyroidism, Hyperparathyroidism Insulin-dependent diabetes 	If yes, at what age was it removed? (Age) Do you presently take estrogen or progesterone medications?
 Height loss of more than 2 inches Hyperthyroidism, Hyperparathyroidism Insulin-dependent diabetes Longstanding poor mobility (e.g., following a stroke, 	If yes, at what age was it removed? (Age) Do you presently take estrogen or progesterone medications? Do you take thyroid medication regularly?
 Height loss of more than 2 inches Hyperthyroidism, Hyperparathyroidism Insulin-dependent diabetes Longstanding poor mobility (e.g., following a stroke, Parkinson's disease, or spinal injury) Malebeartier 	If yes, at what age was it removed? (Age) Do you presently take estrogen or progesterone medications? Do you take thyroid medication regularly? Do you take prednisone or another steroid medication regularly?
 Height loss of more than 2 inches Hyperthyroidism, Hyperparathyroidism Insulin-dependent diabetes Longstanding poor mobility (e.g., following a stroke, Parkinson's disease, or spinal injury) Malabsorption Osteomalacia 	If yes, at what age was it removed? (Age) Do you presently take estrogen or progesterone medications? Do you take thyroid medication regularly?
 Height loss of more than 2 inches Hyperthyroidism, Hyperparathyroidism Insulin-dependent diabetes Longstanding poor mobility (e.g., following a stroke, Parkinson's disease, or spinal injury) Malabsorption Osteomalacia Osteoporosis 	If yes, at what age was it removed? (Age) Do you presently take estrogen or progesterone medications? Do you take thyroid medication regularly? Do you take prednisone or another steroid medication regularly? Did you ever fracture (break) your hip?
 Height loss of more than 2 inches Hyperthyroidism, Hyperparathyroidism Insulin-dependent diabetes Longstanding poor mobility (e.g., following a stroke, Parkinson's disease, or spinal injury) Malabsorption Osteomalacia Osteoporosis Ovarian or Testicular Hypofunction Pre-transplant Evaluation 	If yes, at what age was it removed? (Age) Do you presently take estrogen or progesterone medications? Do you take thyroid medication regularly? Do you take prednisone or another steroid medication regularly? Did you ever fracture (break) your hip? Did you ever fracture (break) your spine? Did you ever fracture (break) your wrist? Have you had other fractures (breaks) since age 40?
 Height loss of more than 2 inches Hyperthyroidism, Hyperparathyroidism Insulin-dependent diabetes Longstanding poor mobility (e.g., following a stroke, Parkinson's disease, or spinal injury) Malabsorption Osteomalacia Osteoporosis Ovarian or Testicular Hypofunction Pre-transplant Evaluation Prostate Cancer (male) 	If yes, at what age was it removed? (Age) Do you presently take estrogen or progesterone medications? Do you take thyroid medication regularly? Do you take prednisone or another steroid medication regularly? Did you ever fracture (break) your hip? Did you ever fracture (break) your spine? Did you ever fracture (break) your wrist? Have you had other fractures (breaks) since age 40? Have you had surgery on either of your hips?
