The Urgent Neurology Clinic is for patients with urgent neurological problems needing assessment in a timely fashion, ideally within 3 working days of referral. Therefore, only urgent problems should be referred to the clinic. It does not replace more appropriate avenues of referral for non-urgent neurological problems. All referrals are triaged as to urgency and appropriateness for this clinic.

NB - We can not see head injuries, hospital inpatients, children or medicolegal issues in this clinic.

ALL INFORMATION MUST BE COMPLETED LEGIBLY - INCOMPLETE FORMS WILL BE RETURNED FOR COMPLETION
