

Ordering Steps/Sequence: Online CRRT Orders

1. In order window, type in “CRRT” and choose the correct item (heparin, no anticoagulation or citrate)
2. Do not use saved favourites; UH orders are different than VH
3. Complete the orders and select INITIATE at bottom right corner. This will open the Power Form
4. Complete Power form. When complete click on the green checkmark in top left corner.
5. Sign order at bottom right corner
6. Click refresh
