**SWORHBP Regional Medical Director Appointment**

We are very pleased to announce that Dr. Matt Davis will be moving into the role of Regional Medical Director effective April 1st, 2017.

Dr. Davis is currently the Local Medical Director for SWORBHP's Central Services and the Director of Education with SWORBHP. Holding these roles has provided him with the experience and leadership opportunities to further develop and facilitate the delivery of excellent prehospital care in the Southwest.

Dr. Davis holds a Bachelor of Nursing Degree from Queen's University, a Master of Science Degree from Queen's University and a Medical Doctorate Degree from McMaster University. In addition, he has completed a Royal College of Physicians and Surgeons Emergency Medicine Residency at the University of Western Ontario which included a Fellowship year in Prehospital Care. In addition to his work at SWORBHP since 2013, Dr. Davis is the Associate Program Director for the Royal College Emergency Medicine Program at Western.

Please join us in welcoming Dr. Davis to his new role!
