Recipients of the 2015 Natasha Shkvorets Base Hospital Innovation Award

We are extremely proud and excited to announce that Alan Rice, Prehospital Support Analyst and Michelle Priebe, Web and eLearning Design Developer were the recipients of the Natasha Shkvorets Base Hospital Innovation Award, presented at the 2015 OBHG Annual Conference Award Ceremony this week in Ajax.

This award recognizes the outstanding capabilities and achievements of a member of the Ontario Base Hospital Group who has made significant contributions to the provincial base hospital system through innovation, constant improvement, and the value that those attributes have created for the patients and the communities served.

Please join us in congratulating Alan and Michelle on receiving this prestigious award!
