Attention: Advanced Care Paramedics

This is a reminder that all Continuing Medical Education (CME) requests and documentation (i.e. attendance certificates) must be submitted in the SWORBHP Web Portal by January 15, 2015.

This memo applies to Advanced Care Paramedics who are required to obtain 24 CME points each year.

Paramedics are encouraged to visit the SWORBHP Web Portal (www.sworbhp.ca) to view an up to date summary of their current CME points or to submit CME requests.

In addition to the CME deadline, we have also updated the CME approval process; these changes take effect January 15, 2015.

For information on the changes, please review the CME documents available here:
