Medical Director's Commendation Award

The Medical Director's Commendation Award will be awarded to Paramedics who have been recognized for delivering exceptional care to a patient(s) in the prehospital setting. This award is based on nomination by peers, Service Administration, chart auditor, Hospital Physicians or the SWORBHP Medical Directors.

Nominations:

- Deadline for submission of nomination forms in the current year is October 1st
- Nomination forms can be accessed through our website: <https://apps.lhsc.on.ca/?q=forms/sworbhp-medical-directors-commendation-award>
- Confirmation of receipt of nomination will be sent by email to the individual submitting the nomination

Award Criteria – includes, but is not limited to

- Facilitating the delivery of excellent prehospital care
- Providing exemplary care that goes above the call of duty
- Delivery of outstanding care in a challenging call

Limitations

- All decisions will be by consensus of the Medical Directors and Program Manager
- All nominations will require the approval of the Service Operator
- The paramedic nominated must be a certified paramedic or paramedic student in good standing with the SWORBHP
- All actions taken by the paramedic as nominated must be in compliance with the current Basic Life Support Patient Care Standards and Advanced Medical Directives

Award recipients will receive a personalized certificate.
